Welcome to Kentucky Organic Farm & Feed Inc. Easy Order Information

- ★ For existing customers or new customers we will need your complete name, address, phone number and email address. Please note if you can receive updates via text on this phone number.
- ★ If you are a new customer you need to call with your credit card information.
- ★ For future orders include the four last digits of your credit card and the expiration date.
- ★ Send your feed order by email to: koffisales@emyprinter.net
- ★ On the price sheet you will find a code number for each feed. Order by code and description.
- ★ You are welcome to come to our feed store to pick up your feed in bags or for bulk in tote orders. We can also ship feed to you via truck freight, so call us for a quote if interested. Minimum order for bulk and totes is 1 ton. The cost to fill totes is \$35.00 per tote. We do not refill used totes. Please allow 2 days for bulk order processing for pickup. You may call or email your order and tell us which day and what time you expect to pickup.
- ★ We are open Monday-Friday 7:00AM—4:00PM. Closed Saturday and Sunday.

- ★ Here is an example of how your feed order needs to look like.

Your Name:	John Doe
Address:	123 Any Street City, State Zip code
Your Phone Number:	270-123-4567
Your Email Address:	example@domain.com
Pay with Card Ending:	Last 4 Digits
Expiration Date:	Expiration Date
Where to Pick up:	Route Name, Name of Pickup Location (in bold letters)
Amount	Code# Description Bags, Tote or Bulk

- ★ We have several delivery routes where we can deliver bulk and bagged feed.
- ★ With your order tell us where your pick up location will be.
- ★ Once we have the orders and are ready for the delivery we will run your card for payment. We will send you a voice mail message with delivery updates. Also, we will text you and keep you updated on the driver's status for your delivery.
- ★ Delivery charge per bag is \$4.00 delivered with our bag route.
- ★ Delivery charge per tote is \$160.00 delivered with our bag route.
- ★ We text you the day before delivery, and keep you updated of the driver's status.

We want to be your supplier for all your organic feed & fertilizer needs.
We offer feed & fertilizer in bags, totes or bulk. Custom mixes available.
We provide free consultations and recommendations.
